Targus

Product Specification Sheet

Targus A7™ 12 inch Netbook Messenger

Part #: TSM101EU

Product Description:

The Targus A7 12” Netbook Messenger is designed to protect netbooks and laptops from knocks and scratches when in transit. The messenger design makes carrying a netbook or laptop comfortable, with an adjustable shoulder strap which can be worn over the shoulder or across the chest. The exterior of the case features a tarpaulin base which is water resistant and provides an extra barrier against the elements. The case also features extra durability with Ripstop™ lining fabric and hard wearing tactile zips. There are two quick access slip pockets underneath the front flap, a scratch-resistant pocket to protect the sensitive surfaces of sunglasses and mobile phones, and a spacious main pocket.

Product Features and Specifications:

- Performance – Industry-grade tarpaulin base is water and wear-resistant. Exterior materials are abrasion-tested for durability
- Protection – Tri-Cell Cushion System™ protects against knocks and scratches, and provides air ventilation. Micro-suede lined accessory pockets
- Compatibility – Holds netbooks and laptops with screens measuring up to 12-inches
- Comfortable – Padded, adjustable shoulder strap and padded top handle. Lightweight design
- Organisation – Multiple interior pockets featuring ripstop and scratch-resistant linings. Light-coloured lining makes locating items easier.
